## Synopsis Books:

City girl Avery Addison is used to the finer things in life. Room service, limousines, a haute couture wardrobe and five-star dining. When she finds herself stranded on a desert island in the South Pacific shes in for a startling realization. With no cell reception and just a designer coat to shield her from the tropical rain, she is left to devise a plan to get back home. To make matters worse, she soon discovers shes not alone on the island. Red Valley Razors hockey player Colton Greene is in the same predicament. His laid-back devil-may-care attitude irks Avery to the nth degree. This is a life and death situation after all.

Will Avery and Colton find a way off the island before they strangle each other? Or will a night in a makeshift shelter change Averys mind about the cocky jock?

Your ticket to paradise awaits!
