## Synopsis Books:

**An irreverent tale about a recent college grad, a mysterious old man who may be Elvis, and a perilous road trip that could lead to the old mans final comeback.**

When Ben Fish responds to an ad that reads Driver Needed Seven Days Excellent Pay No Druggies, Drunks, or Felons, its because of the money (\$10,000) but also to get away from his dead-end life. He has just graduated from college with a useless degree, has gotten dumped by his longtime girlfriend, and is still mourning his father, who died in a freak accident. Yet Ben finds himself in for more than he expected, as the old man who placed the ad seems to be a still-living Elvis who leads Ben on a 900-mile journey to Memphis in search of his granddaughter. Along the way they brawl with biker gangs, consult a backwoods oracle, rescue a hooker named Ginger from her one-eyed pimp, and ultimately find some answers about themselves and their place in the world.
