Synopsis Books:

They have money, power and arrogance--and the world is theirs. Beautiful and unspoiled, Sara Coleville knows she can play their game. Now her fine-bred defiance and brazen masquerades have excited Marco Marcantoni--inflaming the hot-blooded duke's most shameless passions and wildest desires. He vows he will have her, in secrecy and seclusion--to use until all his needs are satisfied. But Sara's innocence is deceptive. And it is she who must ultimately prevail in this world where wealth makes love easy...and passion makes it dangerous.
