## Synopsis Books:

Piali Roy has run away from home and the two stubborn men who love her. One is her beloved Baba; a rigid traditionalist, he refuses to accept anyone from outside her caste and community. And then there is Sathya, the unsuitable outsider. He loves her truly, madly, deeply and has even called off his marriage for her sake. Neither man will budge, and the small town of Jampot, where everyone knows everything, is not big enough for the two of them.

Away from their unreasonable demands, Piali strives to find peace in the mountains. But within six months, her lover tracks her down. Once again, she betrays the one by trusting the other.

Will her labor in the name of love be in vain, or will love transcend all differences?
