Synopsis Books:

The Bride's Second Chance

Two years ago, Olivia Shea was trying on her wedding gown, dreaming of marriage and motherhood. But her fisherman fianc was lost at sea and Olivia fled, unable to stay in the New England fishing village. Now she's back in Fairport, determined to face her fears by working on a whale boat tour. But the charter's captain is the sole survivor of her fianc's ill-fated voyage-a man of danger and memories.

Jonathan Barrotta's scars from the night he nearly died run as deep as the vast Atlantic. To prove himself and to honor his friend's memory, he vows to fulfill his dream of piloting his own boat. But a life at sea means a life without Olivia-the woman he's always secretly loved. How can he ask her to be a fisherman's wife? Only with the Lord guiding their way will Jonathan and Olivia chart a course toward home-together.
