Synopsis Books:

Early one morning in New York City, Will Heller, a sixteen-yearold paranoid schizophrenic, gets on an uptown B train alone. Like most people he knows, Will believes the world is being destroyed by climate change; unlike most people, hes convinced he can do something about it. Unknown to his doctors, unknown to the policeunknown even to Violet Heller, his devoted motherWill alone holds the key to the planets salvation. To cool down the world, he has to cool down his own overheating body: to cool down his body, he has to find one willing girl. And he already has someone in mind.

Lowboy, John Wrays third novel, tells the story of Wills fantastic and terrifying odyssey through the citys tunnels, back alleys, and streets in search of Emily Wallace, his one great hope, and of Violet Hellers desperate attempts to locate her son before psychosis claims him completely. She is joined by Ali Lateef, a missing-persons specialist, who gradually comes to discover that more is at stake than the recovery of a runaway teen: Violetbeautiful, enigmatic, and as profoundly at odds with the world as her sonharbors a secret that Lateef will discover at his own peril.

Suspenseful and comic, devastating and hopeful by turns, Lowboy is a fearless exploration of youth, sex, and violence in contemporary America, seen through one boys haunting and extraordinary vision.
