## Synopsis Books:

David Sedaris' move to Paris from New York inspired these hilarious pieces, including the title essay, about his attempts to learn French from a sadistic teacher who declares that every day spent with you is like having a caesarean section. His family is another inspiration. You Can't Kill the Rooster is a portrait of his brother, who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers of food and cashiers with six-inch fingernails.
