## Synopsis Books:

In this unusual coming-of-age novel, author Jay Quinn surveys the expanding emotional and sexual boundaries of Matt, an eighteen-year-old surfer in coastal North Carolina's Outer Banks. The novel follows Matt as he leaves home after his high school graduation to work for his uncle, a land surveyor. Matt's story of claiming his place as a surfer and as a gay man in the small and large world of construction sites, fishing piers, and surf breaks is a triumph of storytelling.
