Synopsis Books:

Whats brewing when two favoritespoetry and fairy talesare turned (literally) on their heads? Its a revolutionary recipe: an infectious new genre of poetry and a lovably modern take on classic stories. First, read the poems forward (how old-fashioned!), then reverse the lines and read again to give familiar tales, from Sleeping Beauty to that Charming Prince, a delicious new spin. Witty, irreverent, and warm, this gorgeously illustrated and utterly unique offering holds a mirror up to language and fairy tales, and renews the fun and magic of both.
