Synopsis Books:

Two police officers have been brutally killed by having their throats ripped out, but the wound appears to have been done with surgical precision. With no witnesses, no forensic evidence, and two bizarre clues to follow, the case falls to Inspector Duke Becker, head of the high profile Special Investigations Unit, Homicide. Becker and his squad must find the killer before more cops are murdered. The case will lead Becker on a wild chase through the streets of New York City, back over 15 years into the past and to a cover-up that will rock City Hall. Along with his brash, wildly dressed young partner, Jimmy Nova, the beautiful Michelle Goldman, Augie "Doggie" Rivera, and the Mutt and Jeff team of Bobby Green and Joe Robinson, Becker will need to enlist his boyhood friend in charge of CSU, Manny Velez. Add a ruthless newswoman known to the NYPD as "Wicked Witch Wilson" and a new love interest for Becker in the gorgeous and brilliant Dr. Elizabeth Cunningham, Becker is about to embark on the most difficult and dangerous case in his 20 plus years. Will Becker and his squad be able to catch the killer before more cops die or will the killer have the last laugh?
