Synopsis Books:

There's a cat in the stacks...

...and he makes the purr-fect partner for a librarian-turned-sleuth.

Everyone in Athena, Mississippi, knows librarian Charlie Harris-and his Maine coon cat named Diesel that he walks on a leash. They also know his former classmate-turned-famous bestselling novelist, Godfrey Priest.

But someone in Athena took Godfrey off the bestseller lists- permanently, and with extreme prejudice. Now, Charlie and Diesel must browse through the history section of the town's past to find a killer.
