Synopsis Books:

A decade ago, 15-year old Cass Green was saved from certain death by two teenage werewolves. Now, after a lifetime of aching for the touch of fur on her face, she is hiking out into the wilderness, searching for the two Alphas who rescued her.

All too quickly she finds them - Edon, a handsome and somewhat civilized Alpha and Rey, a dominant and wild brute. Both werewolves are absolutely gorgeous. Both dangerous. Both utterly overwhelming.

They are Alphas of the Arctos Pack, sharing leadership... and everything else.

They imprinted on her all those years ago and are willing to fight to the death for the chance to mate with the curvy girl who has wandered into their territory - starting right now!

This is part one in a Werewolf BBW serial, approximately 60 pages each. It is not a standalone. This book is intended for readers 18+ who are comfortable with Alpha werewolves, mnage romance and some explicit scenes.
