Synopsis Books:

Chloe, Josh Miller's younger sister, is a free spirit with funky clothes and dramatic hair. She struggles with her own identity, classmates, parents, boys, and -- her biggest question -- whether or not God is for real. But this unconventional high school freshman definitely doesn't hold back when she meets Him in a big, personal way. Refusing to change her image to fit into the "stereotypical Christian preppy mold," Chloe expresses God's love and grace through the girl band she forms, Redemption. In her development as a musician and performer, tender-hearted Chloe will learn tough lessons about following God, her heart, and her dreams.
