## Synopsis Books:

In this FREE post-apocalyptic romantic urban fantasy short story, a tough mercenary known as Nisha the Heartless is hired to transport mysterious cargo from exotic New Asia to a well-paying client.

But things are never what they seem in a dark new world now populated by humans and the Strange: shapeshifters and telepaths, nymphs and hobgoblins. It is a lesson Nisha learns all too soon - one that puts her on a journey with a dangerously sexy, enigmatic man who will force her to confront the nightmares of her past, and risk her heart for a future she never dreamed could be hers....
