## Synopsis Books:

Whats a good mystery story without a beautiful blonde to set things in motion? When the femme sharing a bench with Mallory in the Port City, Iowa, bus station is accosted by a scar-faced, one-eyed thug, the aspiring writer stops minding his own business and leaps into the fray with nothing but his fists and a well-aimed Pepsi bottle.

Once the dust clears, the battered brute flees, and the damsel is saved, Mallory figures thats the end of it. But when the pretty stranger suddenly drops back into his life after violently losing hers the real trouble is only just beginning.

Its no surprise that Sheriff Brennan wants to quickly close the case, since it threatens to open a can of worms involving political secrets and powerful people. But the harder Brennan tries to declare the death an accident, the louder Mallory screams bloody murder. Its not enough to wake the deadbut it may just bring a killer to his doorstep.
