Synopsis Books:

From #1 *New York Times* bestselling authors Jodi Picoult and her daughter and co-writer, Samantha van Leer, comes OFF THE PAGE, a tender and appealing romantic YA novel filled with humor, adventure, and magical relationships.

Sixteen-year-old Delilah is finally united with Oliver a prince literally taken from the pages of a fairy tale. There are, however, complications now that Oliver has been able to enter the real world. To exist in Delilah's world, Oliver must take the place of a regular boy. Enter Edgar, who agrees to take Oliver's role in Delilah's favorite book. In this multilayered universe, the line between what is on the page and what is possible is blurred, but all must be resolved for the characters to live happily ever after. *Includes twelve full-color illustrations, and black-and-white decorations throughout.*

Full of humor and witty commentary about life, OFF THE PAGE is a stand-alone novel as well as a companion to the authors' bestseller *Between the Lines*, and is perfect for readers looking for a fairytale ending. Fans of Sarah Dessen and Meg Cabot are sure to appreciate this novel about love, romance, and relationships.
