Synopsis Books:

On the Law in General is a single chapter of Girolamo Zanchi's Tractatus de Redemptione, part of what has been called an unfinished Protestant "summa" akin to that of Thomas Aquinas. In this selection Zanchi examines the relationship of the natural law to human law, church tradition, custom, divine laws, and the Mosaic law, offering a rigorous analysis of the nature of law in general, constituting a seminal work in early modern political and legal theory.

Contents:

Introduction by Stephen J. Grabill

On the Law in General

On the Law Through which Comes Knowledge of Sin

On Natural Law

On Human Laws

On the Traditions of the Church

On Custom and Title

On Divine Laws

On the Laws of the Jewish State

On the Ceremonial Laws
