He offered her more than his protection...for one hot night.

As the daughter of a Hollywood mogul, introverted Claire Kenyon is used to being forced into the limelight, no matter how she tries to live a quiet life. When her father receives a threat aimed at her, he surrounds her with security--including sexy Michael Lyle, who offers her very close protection.

Michael has always been professional and unemotional with Claire, so she isn't prepared for the depths he's been hiding. But he's her bodyguard, and there are lines he will never cross. The more irresistible she finds him, the more he plans to resist.

But then everything changes in only one night...
