## Synopsis Books:

*The aptly named Crystal Haven is the destination for tourists seeking psychics, sances, and the promise of contacting the spirit world. A cop. A cop on leave from Ann Arbor, more specifically, whos come home to kooky Crystal Haven to reevaluate her life. Mom and Aunt Vi cant wait for Clyde to finally embrace her own psychic gifts and join the family business. Clyde would prefer the low-stress lifestyle of a dog walker and the low-key company of her nephew, Seth.

But when a local psychic is killed, leaving behind a traumatized Shih Tzu, it seems to be in the cards for Clyde to get involved. With her old flame Mac leading the investigation, that may prove awkward. Whether she uses her skills as a cop or her long-denied psychic abilities, its up to Clyde to divine a killers identity before someone else suffers more misfortune.
