## Synopsis Books:

In a collection guaranteed to provoke both laughter and thought, 14 timeless fairy tales are revisited and reworked to become relevant fables for more modern times. These hilarious adaptations satirize and sanitize the sexist, racist, nationalist, ageist, sizeist, ethnocentrist, and phallocentrist biases of classic bedtime stories. Familiar exploits of beloved characters are related from a respectful, prejudice-free perspective: the Emperor is no longer naked in his new clothes but OC is endorsing a clothing-optional lifestyle, OCO Snow White escapes to the cottage of OC seven vertically-challenged men, OCO and Goldilocks is an ambitious scientist studying anthropomorphic bears. With a redesigned jacket and a previously unpublished story, this expanded edition is sure to appeal to readers of multiple generations who find political correctness is as topical as ever."
