Synopsis Books:

Jaxon Malone is a Captain in the Air Force for the Earth World Government. She is sent on an espionage mission to the alien planet of Katiera. She finds herself torn between her loyalties to her home world Earth, and the new feelings she is developing towards the people of Katiera and their Commander. Will she choose to break the ties that bind her to a dying home world? Or - will she embrace her new life, and with it, a love far greater than any she could have imagined?

Prime Commander KydEL must negotiate an alliance between the two alien nations of Kiljor and Katiera. The moment he meets the female warrior from Earth, she turns his world upside down. She causes unexpected mating urges to rise up within him. It is distracting and disruptive. He makes every effort to ignore her and the mating urges. Will he be able to succeed with the negotiations before an all-out war descends? Will he overcome the mating urges or will he finally give in to them? Or will he wait too long and lose her to a rival?
