Synopsis Books:

This volume collects the finest essays and articles from the four-time National Magazine Awardnominated Believer magazine. The book combines all the erudition and wit readers have come to expect from its pages: Jonathan Lethem on Nathanael West, William T. Vollmann on W. G. Sebald, Ben Ehrenreich on Brian Evenson, Paul La Farge on Dungeons & Dragons, and much, much more. Its an essential anthology, collecting the best in creative nonfiction, the best in literary journalism, and the best writing in English from the beginning of the twenty-first century, from one of the smartest, weirdest, and funniest magazines in the country.
