## Synopsis Books:

### Book #4 of the Consequences Series:

Readers saw what happened on that fateful afternoon at the Rawlings Estate and heard about the aftermath. This fourth novel of the series is told through the men in Claire Nichols life and fills in the gap of time that was only previously mentioned. Like dominoes falling in a line, REVEALED allows readers to experience the shocking repercussions one by one, and witness their effect on everyone in the game.

Share the struggle as Anthony Rawlings fights for what is his, as the crashing consequences of his past threatens to change his world forever. Join Harrison Baldwin as he discovers the truth that threatens his beliefs, and John Vandersol as he come to terms with his revelations. Witness as Phillip Roach decides with whom his loyalties lie, and Brent Simmons demonstrates the meaning of friendship no matter the cost.

Readers of this series survived the Consequences, learned the Truth, and know who was Convicted. Is that all?

Do not assume that Tony and Claire's story is complete, because beyond the conclusion of Convicted there is more to be REVEALED!

*(Previously titled Behind His Eyes Convicted: The Missing Years)*
