Synopsis Books:

Daisy's mum and dad are always too busy to listen to a word that she says, so when, one day, she tells them that a big purple rhino has just walked into the house and taken a chomp of her pancake, guess what? That's right - nobody listens! But there's a surprise in store for Mum and Dad when they discover that a big purple rhino has gone missing from the zoo. Perhaps they should have taken more notice of what Daisy had to say. Kids will love this funny story about a little girl and her most unlikely new friend.
