## Synopsis Books:

Once upon a time, I made a promise to a stranger. Though I'd never seen her face, I cared for her above all others.

Once upon a time, I broke my vow. In trying to save the one I loved, I condemned her to a cursed life and stripped her of all freedom in a single, misguided step.

Once upon a time, I set out on a journey. Though it might never earn me forgiveness, I would set her free or die trying.
