## Synopsis Books:

In *Rules for Reformers*, Douglas Wilson poaches the political craft of radical progressives and applies it to Christian efforts in the current culture war. The result is a spicy blend of combat manual and cultural manifesto. *Rules for Reformers* is a little bit proclamation of grace, a little bit *Art of War*, and a little bit analysis of past embarrassments and current cowardice, all mixed together with a bunch of advanced knife-fighting techniques. As motivating as it is provocative, *Rules for Reformers* is just plain good to read.
