Synopsis Books:

Mercenary soldiers in the service of the Lady, the Black Company stands against the rebels of the White Rose. They are tough men, proud of honoring their contracts. The Lady is evil, but so, too, are those who falsely profess to follow the White Rose, reincarnation of a centuries-dead heroine. Yet now some of the Company have discovered that the mute girl they rescued and sheltered is truly the White Rose reborn. Now there may be a path to the light, even for such as they. If they can survive it.
