## Synopsis Books:

There's always a reason why the world is a better place without somebody in it.

Knockout-gas attacks. Military-style kidnappings. Vanishing witnesses.

Detectives Darcy Lynch and Erik Sorensen are hot on the trail of a string of crimes that point to a national security threatore are they just a smokescreen for the killer's true motive?

Desperate for redemption after a botched undercover case, Lynch is determined to prove himself by catching the mastermind behind the attacks. But when his girlfriend's sister goes missing, things get personal.

Set against the backdrop of Silicon Valleys unrelenting startup culture, where fortunes can rise and fall in an instant, Smoke Screen is the sequel to Elin Barnes's debut novel, Justification for Murder.
