## Synopsis Books:

Stiletto Safari is the first novel by Kate Metz. It is a fun filled, action packed, romantic comedy.

Zara Hamilton has it all a glamorous New York lifestyle, a gorgeous (and seriously rich) boyfriend, and a job as a lawyer in a prestigious city law firm. But when Zaras boyfriend is accused of insider trading, her perfect world implodes.

Thrown out of work by security and stalked by the press, Zaras life cant get any worse. Or can it? A snap decision (and a few wines too many) sees Zara fleeing to Africa to work as a temporary wildlife volunteer.

But just when things start to cool down at home, Zara realizes her troubles have only just begun.

Will Zaras designer wardrobe survive?

Will a supermodel ruin her only chance at happiness?

Can a Birkin bag really solve her problems?

And will Zara want her old life back at the end of it all
