Synopsis Books:

FAMILIES ARE FOREVER

SUDDENLY A WIFE

Toni Anderson knew she owed Zachary Knight a favor. But she never dreamed he would propose a marriage of convenience so she could be mother to the twin daughters he'd never known he had!

With the girls' real mother gone, Zach had to prove they would have a stable home life or lose them. And he didn't know he was offering her the impossible: children to call her own. Trouble was, wife-wary Zach insisted the marriage was to be strictly platonic. But one searing kiss between the instant couple proved that the arrangement was going to be impossible to keep.

Happily ever after with kids!
