## Synopsis Books:

**Bestselling author Sarah Morgan delivers another irresistible hero in her O'Neil Brothers series who's more tempting than dessert and twice as sinful!**

Fiery French chef lise Philippe is having a seriously bad day. Not only have the opening day plans for her beloved caf fallen apart, but Sean O'Neil is back in town, and looking more delectable than ever. Last summer, they shared an electrifying night together and the memories have lise really struggling to stick to her one-night-only rule! Her head knows that eventually Sean will be leaving, so all she can do is try to ignore her heart before she spontaneously combusts with lust.

Being back in Vermont even temporarily is surgeon Sean O'Neil's worst nightmare. For Sean, returning home to the Snow Crystal Resort means being forced to confront the reasons and the guilt he feels about rejecting his family's rural lifestyle years ago. But discovering that lise has settled in Vermont and still sets his blood racing is a very welcome distraction! Thinking he can persuade her into a replay of last summer is tempting, but remembering how good they are together is going to make walking away more difficult than he could imagine
