Sven Klaus, Chief Toy Designer for Klaus Enterprises, will protect his family at any cost. He's prepared to battle the most threatening adversaries to do it--frost flowers, snowstorms, Yeti. And beautiful tenacious tabloid journalists.

Andi De Luca's reporting career is built on lies--about corrupt politicians, greedy Hollywood stars, and Bigfoot. Now she's determined to uncover the truth about Klaus Enterprises, and she always gets her story. Even if it means revealing her own secret desires to Santa's son.
