Award-winning author Melissa Mayhue returns with a brand new series in a brand new genre. Join her in Chance, Colorado - Where love gets a second chance...

Allison Flynn has spent the last eight years struggling to build the life of her dreams. But a cheating boyfriend, the loss of her beloved job, and her mother's illness have all conspired to bring her back home again, shutting the door on those dreams.

Logan O'Connor is a man driven by guilt and haunted by the what-ifs of his choices in life. Betrayed by the woman he'd thought he loved, he's given up any dream of the Happy Ever After he'd once assumed his life would have and devoted himself to his work.

When Allie and Logan cross paths, they'll need to risk their hearts once more to have any chance at finding what they really want. Sometimes you have to take a chance to make your dreams come true...
