## Synopsis Books:

Leah and Erica have been best friends and have gone to the same Catholic school since just about forever. Leah spends so much time with the Nolan's just Erica and her handsome father, now, since Erica's mother died that she's practically part of the family.

When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself torn between her best friend and her best friend's father but even she couldn't have predicted the shocking and bittersweet outcome of their affair.
