Synopsis Books:

My eyes adored you.

For a while, it seemed that was all plus-sized Kate Penney would ever do to her strikingly handsome, extremely enigmatic and unknowable college Professor, Rust O'Brien. She can only admire him from the darkness of a crowded lecture hall, steeped in the knowledge that he would never, ever look at someone like her.

And why should he, right? First of all, she is a student. Second, she is far from being the tall, willowy blonde most guys seem to prefer.

Then her best friend, Michaela, chances upon a secret fraternity the Professor appears to part of: THE ALPHA MEN'S CLUB.

On first glance, the club simply doesn't exist. Then Kate trails Rust O'Brien to this club one night. What she encounters is a scorchingly hot adventure of domination, mystery, sizzling sex and alpha males who all seem to want only two things: her body and her absolute surrender.

This is a standalone 18,000-word paranormal erotic romance novella. WARNING: Contains oral sex, anal sex and BDSM elements.
