Synopsis Books:

What happens when you marry the bad boy--the reckless, irresistible cowboy who steals your heart and throws it back to you, the one you should have called it a day with after the affair?

When Cole, a gorgeous ne'er do well horse trainer and stereotypical bad boy, proposes to Hannah, daughter of a wealthy Southern family, it comes as a shock to everyone. After a twenty-year marriage, Cole leaves Hannah for one of her best friends and they play out their passions on a ranch in Kentucky, where old secrets and sentiments spring forth to unsettle their relationship. Caught in the middle are their beloved daughter Mattie, and Georgia, the hired hand debutante who casts their fate.
