Synopsis Books:

In a Philip K. Dicklike dystopian future, a new form of mass entertainment turns toxic, plunging unsuspecting consumers into an abyss of terror

Cutting-edge virtual reality has emerged as a popular, albeit controversial, source of amusement. Devouring a cephapple or dreambean allows the eater to become the primary player in a preprogrammed narrative: love story, historical spectacle, horror thrillerthis medium encompasses all genres. Our protagonist, Quinjin, is a professional dreambean critic, rating the hallucinogenic adventures hidden within these remarkable fruits.

But something has gone terribly wrong. An anonymous dreamweaver has created a cephapple that, by transporting its users to the core of an inescapable nightmare, drives them stark raving madjust the sort of ammunition the anti-dreambean movement needs to get the technology banned. Quinjin is hired to find the source of the poison and eradicate it. But the reviewers heroic quest becomes highly personal when the person he most cares aboutthis teenage daughter treats the forbidden fruit and lapses into a coma.
