Synopsis Books:

Reformed rebel Jackson Cooper thinks he can handle anything until a sullen teenage girl appears at his ranch, claiming the impossible. Even though he's not Jade's father, he can't turn her away, knowing she's in need. But he's going to need the helping hand of compassionate schoolteacher Madeline Patton. An unlikely duo with their own secret fears, Jackson and Maddie certainly don't expect the Christmas surprise of instant parenthood. Yet as they work toward giving a foster child a home, they might just discover the most wonderful gift of all: family.
