Synopsis Books:

After escaping her troubled past, all Katie Bergstrom wants is to put down roots on her raptor rehabilitation facility outside Jackson Hole. She doesn't count on reconnecting with her estranged birth mother or the recent appearance of a sexy ranch hand.

Former marine Joe Gannon is used to a life of risk. Working on the ranch, life is simpler except for the undercover work he's been asked to do. Getting too close to Katie could damage his current operation. Yet despite his orders to remain suspicious, he knows she's innocent and in danger. As he does everything he can to protect her, Katie can't help but fall for him. But after a lifetime of betrayal, is this too-secretive, too-seductive rancher someone she can trust?
