Synopsis Books:

Douglas is content to go to work and come home, busying himself with endless research and experiments. His rival, Dr. Hallow, is more hands-on with his own work, but one day he needs help. Douglas finds himself an unwitting volunteer in his research, paired with a strange South American plant. The unfamiliar vines seem drawn to Douglas's body heat, wanting as much of his warmth as they can get, and Douglas finds himself unable to resist.

Warning: This short story is for adults only and contains gay tentacle sex, dubious consent, oral sex, and anal sex.
