Synopsis Books:

All three books in the highly praised Dust Lands trilogy, which MTV's Hollywood Crush blog called better than *The Hunger Games*, are now available in a collectible paperback boxed set.

In *Blood Red Road*, Saba is forced to flee Silverlake, a dried-up wasteland ravaged by constant sandstorms, when four cloaked horsemen capture her beloved twin brother Lugh. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter and when she teams up with a handsome daredevil named Jack and a gang of girl revolutionaries, Saba stages a showdown that will change the course of her civilization. The action continues in *Rebel Heart* when a new enemy arises, and Saba needs all of her warrior's strength just to survive. The stakes only get higher in *Raging Star*. Because although Saba knows how to fight, she is not called the Angel of Death for nothing; sometimes there are fights that cannot be won. How much will she sacrifice to save the people she loves?

This riveting trilogy is a natural for *Hunger Games* fans (*Publishers Weekly*) that makes an ideal gift.
