Synopsis Books:

New York Times bestselling author **Tara Sue Mes Submissive** series is back with a scorching new romance that proves the difference between excitement and pain is just point of view...

Shes ready for her close-up. . . .

Meagan Bishop gave up modeling after an ill-fated tryst with a sexy photographer left her career and heart in shambles. When that same sexy shutterbug makes a titillating offer to do a BDSM spread for his new photography book, shes determined to refuse until an anonymous blackmailer entices her to accept. Now her body is again at the whim of the man who broke her heart, and shes finding his strong direction undeniably intriguing. . . .

Meagan is the muse Luke needs to make his shoot something special, even if it means keeping his hands off. But each new erotic scene they capture makes it harder to ignore his need to command her in the bedroom as well as the studio. As their sexual tension explodes, Meagans arrangement with her extortionist becomes more perilous, putting in danger her darkest secrets and the fragile passion between Luke and her. . . .
