## Synopsis Books:

Eighteen year old Amanda Vining seems to have to world at her feet. She has the boy of her dreams and great friends. It seems that everything is going just the way she wants it. Until the night she heads out with her friends for their senior prom.

A semi-truck lost control and collided with their car. Amanda ended up in the hospital with a face full of glass that severed the nerves of her eyes. Everything was black after that. Until hope arrives in the form of a transplant that alters her fate, and she embraces the new lease on life she has been given.

Then she meets a handsome, older stranger and before she knows it, shes lost in a whirlwind romance. But he has a secret that will soon threaten to tear them apart. Amanda will have to decide if they can both let go of the past in order to have a future together.
