Synopsis Books:

Sir James George Frazer's comparative study of anthropology, folklore, and myth has been an influential work for writers and a standard text for scholars since its original publication, in several volumes, in the early part of the 20th century. Frazer was a professor of social anthropology and a classicist.

(This edition was originally listed as "the Arabic illustrated edition for the four parts of the book, published by Egyptian Book Organization" , . However, the ISBN and cover image are for the Wordsworth Reference edition in English and the record has been accordingly updated.)
