Synopsis Books:

The final book in The Original Sinners Series - The Red Years.

There's punishment-and then there's vengeance.

Nora Sutherlin is being held, bound and naked. Under different circumstances, she would enjoy the situation immensely, but her captor isn't interested in play. Or pity.

As the reality of her impending peril unfolds, Nora becomes Scheherazade, buying each hour of her life with stories-sensual tales of Sren, Kingsley and Wesley, each of whom has tempted and tested and tortured her in his own way. This, Nora realizes, is her life: nothing so simple, so vanilla, as a mere love triangle for her. It's a knot in a silken cord, a tangled mass of longings of the body and the heart and the mind. And it may unravel at any moment.

But in Nora's world, no one is ever truly powerless-a cadre of her friends, protectors and lovers stands ready to do anything to save her, even when the only certainty seems to be sacrifice and heartbreak....
