## Synopsis Books:

Gabrielle Denning, the sheltered ward of Lady Nevon, grew up in an almost magical place, an estate where society's outcasts were treasured and the ruling spirit was love. It almost made her forget the terrifying night when an unexplained fire killed her parents, leaving her only with a music box to remember them by. But her idyllic world is about to change, as the bastard son of Lady Nevon's brother maneuvers his carriage up the manor's drive.
