## Synopsis Books:

Description: The remarkable thing about the Lyne twins is that there are three of them.

Theres Pablo inspired, creative and damaged, carried on a wave of dumb luck towards a moment of fratricidal release.

Theres Tom a sceptic and a womaniser, stiff with hidden resentment and dismissive wit.

And there is or there was, or there may yet be Perdito, the third twin, part ghost and part derangement, a threat and a promise. He wants a body to call his own, and he feels he has two to choose from.
