Synopsis Books:

A baby rescued from the snow. A wealthy family's tragic secret. A girl determined to make her mark.

One winter's night, Molly Earnshaw rescues a newborn baby from the snow and changes two families for ever. The tiny girl grows into a beautiful and gifted young woman. Although devoted to Molly, who she believes is her grandmother, Amy has far-reaching ambitions - encouraged by her neighbour's son, Toby, she longs to move beyond ribbon-weaving to designing the hats and clothes the ribbons adorn. Her talent is recognised by Matthew Forrester, the influential owner of famous hat factories and shops. But Matthew is a haunted man with secrets in his past that torture him and his family. His son's wife, Victoria, is deeply troubled, and when Amy's flair leads her to London and then Paris, Victoria is consumed with jealousy. Amy's dreams seem to be coming true, but as more secrets are revealed and Amy is caught between two worlds, she must choose where her heart truly belongs.
