Synopsis Books:

A complete course on sewing from threading a needle to couture hemming Finally someone has created every sewer's ideal companion: a comprehensive book on every aspect of hand and machine sewing from the most basic to the most advanced with a modern aesthetic and 20 projects to boot. From simple tutorials to in-depth masterclasses, Ruth Singer packs in lesson after lesson on both practical and decorative techniques.

The Sewing Bible includes:

Easy-to-use instructions accompanied by hundreds of beautiful photographs detailing every stage of each technique 20 functional, fashionable sewing projects that illustrate many of the lessons from an easy T-shirt transformation to a complex handbag making this a how-to guide and pattern book in one

Extensive guides to fabrics and tools, and resources to help you choose the perfect materials and equipment for your projects

Advice on using organic and eco fabrics and working with recycled and vintage fabrics With more excitement than traditional sewing manuals, and much more depth than a book of projects, *The Sewing Bible* is an easy-to-use guide that's as attractive as it is comprehensive. This is the one book you need whether you're a beginner, an expert, or anywhere in between.
