## Synopsis Books:

The Hakan, an all-female race that reveres sexuality and views monogamy as unnatural, have been at war with the Tavinter for centuries. Queen Halla seeks to end this long-term dispute with the nomadic forest people by extending a unique offer to the Tavinter Chieftain. She invites his daughter, Skye, to attend the most prestigious school in all of Arianthem: the Sjäfn Academy.

Skye accepts the invitation and sets out with determination and trepidation. She does not know what to expect, for the Queen's own daughter, Dallan, is but a few years older than her and will serve as her mentor at the Academy. Skye has only to meet the laughing dark eyes of the princess once before she realizes she is going to get far more of an education than she ever dreamed possible.
